ABOUT US

The APIDA (Asian Pacific Islander Desi American) Caucus serves as an advocacy and support group for faculty, staff, and graduate students at Virginia Tech and Blacksburg/NRV community members who self-identify as APIDA, or allies who are interested in participating in conversations relevant to the APIDA community.

We also serve the APIDA community at other Virginia Tech campuses (Washington, D.C. area, etc). The Caucus acts as a liaison to the university administration and is committed to supporting the needs of all APIDA individuals. Our events are open to faculty, staff, graduate & undergraduate students, and community members.
